

Lockers Park Uniform Shop

Order Form – New Items Only (Not Second Hand)

Please complete this order form and email it to: jmaddern@lockerspark.co.uk

NB: Please complete the form showing the current size **on the label** inside the garment, and the required size. If you are unsure how much bigger, please add in the comment a note to say how many cms/inches larger you require, either waist, chest etc.

This form is only for new items of uniform. It is not possible to supply second hand uniform in this way as it depends so much on whether a garment has been altered, or how it has been washed etc.

We buy from many different suppliers and every manufacturer's sizing is different from each other.
